ONBOARDING DEMO / A QUICK START

Your first steps with airi.chat

1. Connect a business channel

Use your own approved WhatsApp Business number and the existing connection flow.

2. Prepare your messages

Create useful templates, provide example variables and obtain Meta approval.

3. Design a journey

Combine opt-in, messages, forms, replies and human handoff for your own use case.

4. Test before launch

Use an opted-in test number, verify every button and review your lead experience.

Demonstration only. Sample data; no real purchase, appointment or event.
